EDUCATION

GLA University, Mathura <i>Bachelor of Technology in Computer Science</i>	June 2023 – June 2027 CGPA: 6.63
Saraswati Vidya Mandir Sr. Sec. School, Agra <i>Intermediate</i>	May 2022 67.5%
Saraswati Vidya Mandir Sr. Sec. School, Agra <i>High School</i>	May 2020 73.5%

TRAINING EXPERIENCE

Job Oriented Value-Added Course, GLA University, Mathura <i>Trainee</i>	June 2025 – July 2025
• Learned the fundamentals of HTML, CSS, and JavaScript through structured practical training. • Developed frontend and backend development skills through hands-on project implementation. • Created a project named TravoGenie after completing the training.	

PROJECTS

E-Commerce Website <i>Full-Stack Web Project</i>
• Developed a full-stack e-commerce website using React, Node.js, and MongoDB. • Implemented product listing, filtering, cart functionality, and payment-related flow. • Used MongoDB for storing product, user, and order-related application data.

TravoGenie <i>Full-Stack Travel Booking Platform</i>
• Developed a travel booking platform with frontend and backend functionality. • Worked on user interface design, page structure, and travel-related data handling. • Built application features to manage destination and booking-related information. • Project Link: github.com/25sahilvarshney/TravoGenie
